JEEPS!
BAZOOKAS!
PLAYING THE GAME
Fight your way single handed through the hordes of enemy troops – there are four areas to assault on your way to the rebel leader, each with a huge overhead section and a fast action side view hand to hand combat game as you make your offensive on each enemy installation. You'll come up against paratroops, bunkers, dugouts, foxholes, enemy trained crack commandos, trenches, mercenaries, garrisons, treacherous swamps, ambushes and surprise rush attacks! Watch out for crocodiles and moving trains!!!
Move quickly and quietly, and remember . . . WHO DARES WINS!
The number one name in the game
